# DOMINION LANDS

IN

## Manitoba, Keewatin, and North-West Territories.

### OPEN FOR SALE AND HOMESTEAD ENTRY.

OFFICE OF THE DOMINION LANDS,

WINNIPEG, 1st April, 1879.

The following is a list of those Townships which are open for sale and settlement, and is published with a view of assisting immigrants and others in determining what lands are available for settlement. Sections 11 and 29, School Lands, and sections 8, south half and north-west quarter of section 26, Hudson's Bay Company Lands, are in every Township reserved by law, except in Townships 5, 10, 15, 20, &c., where whole of section 26 is reserved.

Persons settled on or claiming Township lands in Manitoba, Keewatin and North-West Territories, not already entered in this office or covered by the following published list, whether they may hold the same as old claims or under the Land Regulations, are required, without delay, to report such claims or in default thereof the lands may be sold.

The vacant lands in the Settlement Belt on the Red and Assiniboine Rivers are expressly excepted from the operations of the homestead provisions of the Dominion Lands Act.

The Homestead regulations and the law respecting Forest Tree culture will be found on subsequent pages.

Those Townships not to be found in this list are unsurveyed or already located or allotted to the Half-Breeds, or withdrawn for colonization, and as such, are therefore, not open for further location.

## PROVISIONS RESPECTING Dominion Public Lands, Homestead Rights, and Forest Tree Culture.

### HOMESTEAD RIGHTS.

All persons interested in obtaining Homestead Grants, or purchasing Dominion Lands will give attention to the following provisions respecting the Public Lands of the Dominion:

Unappropriated Dominion Lands, the surveys of which have been duly made and confirmed, shall, except as otherwise hereinafter provided, be open for purchase at the rate of one dollar per acre; but no such purchase of more than a section, or six hundred and forty acres, shall be made by the same person, provided that whenever so ordered by the Minister of the Interior, such unoccupied lands as may be deemed by him expedient from time to time, may be withdrawn from ordinary sale or settlement and offered at public sale (of which sale due and sufficient notice will be given) at the upset price of one dollar per acre, and sold to the highest bidder.

Payment for lands, purchased in the ordinary manner, shall be made in cash, except in the case of payment by scrip, or in military bounty warrants as provided by law.

Any person, male or female, who is the sole head of a family, or any male who has attained the age of eighteen years, shall be entitled to be entered for one quarter section or a less quantity, of unappropriated Dominion Lands, for the purpose of securing a Homestead Right in respect thereof.

The entry of a person for a homestead right shall entitle him to receive at the same time therewith an entry for any adjoining quarter section then unclaimed, and such entry shall entitle such person to take and hold possession of and cultivate such quarter section in addition to his homestead, but not to cut wood thereon for sale or barter; and at the expiration of the period of three years, or upon the sooner obtaining a patent for the homestead under the fifteenth sub-section of section thirty-three of "the Dominion Lands Act," shall entitle him to a pre-emption of the said adjoining quarter section at the Government price of one dollar per acre; but the right to claim such pre-emption shall cease and be forfeited, together with all improvements on the land, upon any forfeiture of the homestead right under the Dominion Lands Act.

Provided always, that the right to a pre-emption entry as above given shall not belong to any settler brought in under the provisions of sections fourteen and fifteen of the said Act.

When two or more persons have settled on and seek to obtain a title to the same land, the Homestead Right shall be in him who made the first settlement.

Every person claiming a Homestead Right on surveyed land must, previously to settlement on such land, be duly entered therefor with the Local Agent within whose District such land may be situate; but in the case of a claim from actual settlement in then unsurveyed lands, the claimant must file such application within three months after due notice has been received at the Local Office of such land having been surveyed and the survey thereof confirmed; and proof of settlement and improvement shall be made to the Local Agent at the time of filing such application.

A person applying for leave to be entered for lands with a view of securing a Homestead Right therein, must make affidavit before the Local Agent (Form B.), that he is over eighteen years of age, that he has not

previously obtained a Homestead under the provisions of the Dominion Lands Act; that the land in question belongs to the class open for Homestead entry; that there is no person residing or having improvements thereon; and that his application is made for his exclusive use and benefit and with the intention to reside upon and cultivate the said lands.

Upon making this Affidavit and filing it with the Local Agent (and on payment to him of an office fee of *ten dollars*—for which he shall receive a receipt from the Agent) he shall be permitted to enter the land specified in the application.

No Patent shall be granted for the land until the expiration of *three years* from the time of entering into possession of it except as hereinafter provided.

At the expiration of three years the settler or his widow, her heirs or devisees—or if the settler leaves no widow, his heirs or devisees—upon proof to the satisfaction of the Local Agent that he or his widow, or his or her representatives as aforesaid, or some of them, have (except in the case of entry upon contiguous lands as hereinbefore provided) resided upon and cultivated the land for the three years next after the filing of the affidavit for entry, or in the case of a settler on unsurveyed land, who may upon the same being surveyed, have filed his application as provided in sub-section five, upon proof, as aforesaid, that he or his widow, or his or their representatives, as aforesaid, or some of them, have resided upon and cultivated the land for the three years next preceding the application for patent, shall be entitled to a patent for the land, provided such claimant is then a subject of Her Majesty by birth or naturalization."

Provided always, that the right of the claimant to obtain a patent under the said sub-section as amended shall be subject to the provisions of section fifteen herein lastly quoted.

Provided further, that in case of settlements being formed of immigrants in communities (such for instance as those of Mennonites or Icelanders), the Minister of the Interior may vary or waive, in his discretion, the foregoing requirements as to residence and cultivation on each separate quarter-section entered as a Homestead.

When both parents die without having devised the land, and leaving a child or children under age, it shall be lawful for the executors (if any) of the last surviving parent, or the guardian or guardians of such child or children, with the approval of a Judge of a Superior Court of the Province or Territory in which the lands lie, to sell the lands for the benefit of the infant or infants, but for no other purpose; and the purchaser in such case shall receive a Patent for the lands so purchased.

The title to lands shall remain in the Crown until the issue of the Patent therefor; and such lands shall not be liable to be taken in execution before the issue of the Patent.

In case it is proved to the satisfaction of the Minister of the Interior that the settler has voluntarily relinquished his claim, or has been absent from the land entered by him for more than *six months* in any one year without leave of absence from the Minister of the Interior, then the right to such land shall be liable to forfeiture, and may be cancelled by the said Minister; and the Settler so relinquishing or abandoning his claim shall not be permitted to make more than a second entry.

Any person who has availed himself of the foregoing provisions may before the expiration of the three years, obtain a patent for the land entered upon by him, including the wood lot, if any, appertaining to the same as hereinafter provided, on paying the Government price thereof at the date of entry, and making proof of settlement and cultivation for not less than twelve months from the date of entry.

Proof of actual settlement and cultivation shall be made by affidavit of the claimant before the Local Agent, corroborated on oath by two credible witnesses.

The Minister of the Interior may at any time order an inspection of any

homestead or homesteads in reference to which there may be reason to believe the foregoing provisions, as regards settlement and cultivation, have not been, or are not being carried out, and may, on a report of the facts cancel the entry of such Homestead or Homesteads; and in the case of a cancelled Homestead, with or without improvements thereon, the same shall not be considered as of right open for fresh entry, but may be held for sale of the land and of the improvements, or of the improvements thereon, in connection with a fresh Homestead entry thereof, at the discretion of the Minister of the Interior.

All assignments and transfers of Homestead rights before the issue of the patent shall be null and void, but shall be deemed evidence of abandonment of the right; and the person so assigning or transferring shall not be permitted to make a second entry.

Any person who may have obtained a Homestead entry shall be considered, unless and until such entry be cancelled, as having an exclusive right to the land so entered as against any other person or persons whomsoever and may bring and maintain action for trespass committed on the said land or any part thereof.

The provisions relating to Homesteads shall only apply to agricultural lands; that is to say, they shall not be held to apply to lands set apart as timber limits, or as hay lands, or to lands valuable for stone or marble quarries, or to those having water-power thereon which may be useful for driving machinery.

Any Homestead claimant who, previous to the issue of the patent, shall sell any of the timber on his claim or on the wood lot appertaining to his claim, to saw mill proprietors or to any other than settlers for their own private use, shall be guilty of trespass, and may be prosecuted therefor before a Justice of the Peace; and upon conviction thereof shall be subject to a fine or imprisonment, or both; and further, such person shall forfeit his claim absolutely.

If any person or persons undertake to settle any of the public lands of the Dominion free of expense to the Government, in the proportion of one family to each alternate quarter section, or not less than sixty-four families in any one township, under the Homestead provisions of the Act hereby amended, the Governor in Council may withdraw any such township from public sale and general settlement, and may, if he thinks proper, having reference to the settlement so affected and to the expense incurred by such person or persons in procuring the same, order the sale of any other and additional lands in such township to such person or persons, at a reduced price, and may make all necessary conditions and agreements for carrying the same into effect.

The expenses, or any part thereof, incurred by any person or persons, for the passage money or subsistence in bringing out an Immigrant, or for aid in erecting buildings on the homestead or in providing farm implements or seed for such Immigrants may if so agreed upon by the parties, be made a charge on the homestead of such Immigrant; and in case of such immigrant attempting to evade such liability by obtaining a Homestead entry outside of the land withdrawn under the provisions of the next preceding section, then and in such case the expense incurred on behalf of such Immigrant as above shall become a charge on the Homestead so entered, which, with interest thereon, must be satisfied before a patent shall issue for the land; provided as follows—

(a) That the sum or sums charged for the passage money and subsistence of such immigrant shall not be in excess of the actual cost of the same as proved to the satisfaction of the Minister of the Interior;

(b) That an acknowledgment by such Immigrant of the debt so incurred shall have been filed in the Dominion Lands office.

(c) That in no case shall the charge for principal moneys advanced against such homestead exceed in amount the sum of two hundred dollars;

(d) That no greater rate of interest than six per cent per annum shall be charged on the debt so incurred by such Immigrant.

## FOREST TREE CULTURE.

Any person, male or female, being a subject of Her Majesty by birth or naturalization, and having attained the age of eighteen years, shall be entered for one quarter section or less quantity of unappropriated Dominion lands as a claim for forest tree planting.

Application for such entry shall be made (Form F.) for the purpose of cultivating forest trees thereon, and the applicant shall make an affidavit (Form G.) that he or she is over eighteen years of age; that he or she has not previously obtained an entry of land for forest tree culture the extent of which, added to that now applied for, will exceed in all one hundred and sixty acres; that the land is open prairie and without timber, and is unoccupied and unclaimed and belongs to the class open for entry for tree culture; and that the application is made for his or her exclusive use and benefit.

The applicant shall pay at the time of applying an office fee of ten dollars, for which he or she shall receive a receipt and also a certificate of entry, and shall thereupon be entitled to enter into possession of the land.

No patent shall issue for the land so entered until the expiration of six years from the date of entering into possession thereof, and any assignment of such land shall be null and void unless permission to make the same shall have been previously obtained from the Minister of the Interior.

At the expiration of six years the person who obtained the entry, or if not living, his or her legal representative or assigns shall receive a patent for the land so entered on proof to the satisfaction of the Local Agent as follows:

1. That eight acres of the land entered had been broken and prepared for tree planting within one year after entry, an equal quantity during the second year, and sixteen additional acres within the third year, after such date.

2. That eight acres of the land entered had been planted with forest trees during the second year, an equal quantity during the third year, and sixteen additional acres within four years from the date of entry, the trees so planted being not less than twelve feet apart each way.

3. That the above area—that is to say, one-fifth of the land—has for the last two years of the term been planted with timber, and that the latter has been regularly and well cultivated and protected from the time of planting: provided that in cases where the land entered is less in extent than one quarter section or one hundred and sixty acres, the then respective areas required to be broken and planted under this and the two next preceding sub-sections shall be proportionately less in extent.

If at any time within the period of six years as above, the claimant fails to do the breaking up or planting, or either, as required by this Act or any part thereof, or fails to cultivate, protect and keep in good condition such timber, then and upon such event the land entered shall be liable to forfeiture in the discretion of the Minister of the Interior, and may be dealt with in the same manner as Homesteads which may have been cancelled for non-compliance with the law.

Provided that no person who may have obtained pre-emption entry of a quarter section of land in addition to his Homestead entry under the provisions of sub-section one of section thirty-three of the said "Dominion Lands Acts," as amended by the Act of 1874 and by this Act, shall have the right to enter a third quarter section as a tree planting claim; but such person, if resident upon his Homestead, may have the option of changing the pre-emption entry of the quarter section or of a less quantity of such quarter section for one under the foregoing provisions, and on fulfilling the preliminary conditions as to affidavit and fee, may receive a certificate for such qualification for such portion thereof as may have been embraced in the quarter section and thereupon the land included in such change of entry,

shall become subject in all respects to the provisions of this Act relating to tree planting.

Any person who may have been entered for a tree planting claim under the foregoing provisions, and whose right may not have been forfeited for non-compliance with the provisions thereof, shall have the same rights of possession, and to eject trespassers from the land entered by him, as are given to persons on homesteads; and the title to land entered for a tree planting claim shall remain in the Government until the issue of a patent therefor, and such land shall not be liable to be taken in execution before the issue of the patent.

DEPARTMENT OF THE INTERIOR,  
OTTAWA, MARCH 1, 1876.

### PUBLIC NOTICE IS HEREBY GIVEN

1st. That the lands in the North-West Territories for twenty miles on each side of the Telegraph Line between Fort Pelly and a point twenty miles westerly of the mouth of Battle River are hereby withdrawn from sale and settlement as part of the land reserve in connection with the construction of the Canadian Pacific Railway.

2nd. That the land within the above reservation consisting of a tract four miles square, the centre of the same being the Telegraph Station at the crossing of the Battle River by the Railway Line is specially set apart for Government purposes.

All persons are therefore forbidden to settle upon or improve any portion of the Land above described.

D. LAIRD, Minister of the Interior.

COPY OF A REPORT of a Committee of the Honorable the Privy Council, approved by His Excellency the Administrator of the Government in Council, on the 12th October, 1875.

On a memorandum dated 7th October, 1875, from the Honorable the Minister of the Interior, submitting a telegram from the Lieut.-Governor of Manitoba respecting his arrangements with the Indians to secure for the Government the best wharfage and an important tract as regards navigation and a future town plot, the Minister observes that the mouth of the river Saskatchewan will doubtless become an important commercial point, and the site of a canal to overcome the Grand Rapid, he recommends that the land on both sides of the river, extending from Lake Winnipeg westerly to Cedar Lake, a distance of about 16 miles; and bounded to the north by lines drawn due east and west two miles north of the most northerly points of the river, and to the south, by similar lines, two miles south of the most southerly points thereof, be reserved as the site of a town plot for canal and other works for the improvement of the navigation of the river.

The Committee submit the foregoing recommendation for Your Excellency's approval.  
Certified. W. A. HIMSWORTH, Clerk Privy Council.

COPY OF A REPORT of a Committee of the Honorable Privy Council, approved by His Excellency the Governor-General in Council on the 22nd April, 1876.

On a memorandum dated April 21, 1876, from the Hon. the Minister of the Interior, stating with reference to the question of the withdrawal of lands in the vicinity of the line of the Canadian Pacific Railway from ordinary sale and settlement, to be disposed of at a future period in connection with the construction of the Railway, that in view of avoiding possible difficulties with persons taking up land upon or in the vicinity of the line as surveyed to the Westward of the Battle River, it is in his opinion expedient to extend the Reservation authorized by the Order in Council in that behalf, dated 28th February last, and recommending, therefore, that the lands for twenty miles on each side of the line of Railway, from a point twenty miles westerly of the Battle River to Jasper House in the "Yellow Head Pass" through the Rocky Mountains, be withdrawn accordingly.

The Committee submit the above recommendation for Your Excellency's approval.  
Certified. W. A. HIMSWORTH, Clerk Privy Council.

### PUBLIC NOTICE.

Public Notice is hereby given that the lands in the Province of Manitoba, withdrawn by the Order of the Honorable the Privy Council of the 26th December, 1874, from sale and settlement, have been, by a subsequent Order of Council, dated the 9th Nov., thrown open to Actual Settlement but not for Homestead or Pre-emption entry, or for entry by Military Bounty, or Police Warrant, or for ordinary sale.

2. No single individual will be allowed to acquire more than one half section, or three hundred and twenty acres, and such land will be required to be paid for by the settler at whatever rate and upon such terms and conditions as may be fixed therefor by the Government when the remainder of the lands in the Province of this class are disposed of.

3. Persons desiring to acquire such lands shall, previous to settling thereon, enter for the same at the nearest Dominion Lands Office, and as an evidence of good faith the applicant in each case shall be required to make a payment in advance at the time of entry of one dollar per acre in cash on account of the purchase; and further, he shall settle upon and commence to cultivate the land within one year from the date of entry, or in default thereof the payment so made will be forfeited.

4. No Scrip of any kind or Military Bounty Warrant or Police Warrant will be receivable in payment of the land above described.

5. Persons who may have effected a settlement without authority upon lands withdrawn for railway purposes in the Province as above, are required to enter the lands upon which they may have settled at the nearest Dominion Lands Office, and pay the dollar per acre called for under paragraph 3 above, without unnecessary delay.

By order of the Minister of the Interior,

Signed,

J. S. DENNIS,  
Surveyor-General.

Dominion Lands Office, Ottawa, Nov. 13, 1877.

## LANDS IN SETTLEMENT BELT.

### PUBLIC NOTICE.

Whereas settlement to a very considerable extent without authority has been effected, and is still being proceeded with, on vacant lands upon the Red River, in the parishes of St. Agathe and St. Norbert, notice is hereby given:

2. That upon the allotment now pending of the one-twentieth of such lands claimed by the Hudson's Bay Company, persons found in possession of lots being Dominion Lands, having taken possession thereof since the 21st day of March, 1873, will be called upon and be required to pay for the same at the rate of five dollars per acre.

2. Excepting in cases where the settler's improvements, as the same now exist, embrace parts of two lots, no person will be allowed to purchase more than the lot upon which he may have settled.

3. Persons finding, upon the allotment being made, that they have settled on lots which may have fallen to the Hudson's Bay Company, will have to make their own terms with the Company, as the price fixed above by the Government will only apply to Dominion Lands.

4. The following lots are reserved from the operation of the above Regulations, and settlement thereon will therefore not be recognized, that is to say: Lots one, three, five, seven, nine, eleven, thirteen, fifteen, two hundred and three, two hundred and five, two hundred and seven, two hundred and eleven, two hundred and fifteen, in Ste Agathe, and numbers two hundred and thirty-eight, two hundred and thirty-nine, two hundred and forty and two hundred and forty-one, in St. Norbert.

By order of the Minister of the Interior,

J. S. DENNIS,  
Surveyor-General.
